SSG Priority Deadline

The 2014-15 Free Application for Federal Student Aid (FAFSA) became available January 1, 2014. The priority deadline to complete the FAFSA for consideration of Student Scholarships and Grants (SSG) program funds is March 1, 2014. For the Michigan Competitive Scholarship (MCS) and the Michigan Tuition Grant (MTG), the first choice institution needs to be listed first on the FAFSA under college choices because SSG awards the first institution. If a student decides to attend an institution that is not listed first, it is their responsibility to contact SSG at 1-888-4-GRANTS to inform us of the change.

Staff Changes

With the promotion of previous SSG Director, Anne Wohlfert, to Student Financial Services Bureau Acting Director there have been staff changes within SSG. Deputy Director Carla Folytn was promoted to Acting SSG Director. Carla has been with SSG for 21 years and brings to the division a strong background in State of Michigan programs. Jon Versluis, previously Deputy Director within the Michigan Guaranty Agency (MGA), now serves as Deputy Director of SSG. Jon’s background in customer service and financial education is beneficial to SSG. His experiences with MGA for eight years led to several customer service initiatives and quality improvement of MGA’s Collections Unit. Susie Gibson, Audit/Program Review Manager and Dan Tryon, Audit/Program Review Auditor have moved from MGA to SSG. They will be working with Michigan institutions on reviews of SSG programs.

Michigan Competitive Scholarship - Social Security Numbers

While MCS has a financial need component, there is also a merit component of a qualifying ACT score (23 composite/90 scaled). A Social Security Number (SSN) is no longer required on the ACT. In order for SSG to match qualifying scores from the ACT with FAFSA results (financial need component); students who did not provide an SSN on their ACT should contact our Information Center at 1-888-4-GRANTS. (Please do not send SSNs via e-mail.) If we are unable to match ACT qualifying scores with FAFSA results, eligible students will miss out on the MCS award.

Davenport University - Moolah Madness

SSG commends Davenport University for their financial education program, Moolah Madness. Seven Davenport University campuses held Moolah Madness events that included topics such as FAFSA completion, searching for scholarships, loan repayment, and financial awareness. We’d like to thank Carra Brown and David Delboer for giving SSG the opportunity to partner with Davenport University to provide financial education presentations and resources.

GI Bill® Comparison Tool

The U.S. Department of Veterans Affairs launched an online GI Bill® Comparison Tool to make it easier for Veterans, Service members, and dependents to calculate their Post-9/11 GI Bill benefits and learn more about VA’s approved colleges, universities, and other education and training programs across the country. The GI Bill Comparison Tool can be found at: http://benefits.va.gov/gibill/comparison. SSG has a grant called Children of Veterans Tuition Grant (CVTG). To learn more about this grant, visit our Web site at: www.michigan.gov/ssg and click on Programs.

Help Current and Former Foster Care Youth Find Financial Aid

It’s important to let current and former foster care youth know the following:

- They should fill out a FAFSA in preparation for each year of college. A student who was in foster care at any time since turning 13 is considered an independent student by the FAFSA and does not have to provide parent information on the application. Students can learn about the FAFSA at: www.studentaid.gov/fafsa and fill it out at: www.fafsa.gov.
- The U.S. Department of Health and Human Services offers educational and training vouchers to certain current or former foster youth. General information about the vouchers and eligibility can be found in a fact sheet at: www.studentaid.gov/foster. Additional information can be found on the Michigan Department of Human Services sites at: http://www.michigan.gov/dhs and www.michigan.gov/fyd, as well as the Fostering Success in Michigan site at: www.fosteringsuccessmichigan.com.
