The current temporary staffing arrangement of the Third Circuit Court divisions managed by the Wayne County Sheriff ("WCS") is insufficient to support the day-to-day operations of the Court and meet public safety requirements for Court personnel and the public.

While the Chief Judge recognizes the current staffing shortage at the Wayne County Sheriff's Department ("WCSD"), the Court cannot continue to compromise its day-to-day operations.

IT IS ORDERED:

1. The current assignment of WCS Deputies be increased by a net gain of four (4) deputies per month commencing April 1, 2025, until sufficient personnel are able to support the day-to-day operations of this Court are met as set forth in **Exhibit A and subsequent revisions (Third Circuit Court Coverage Policy for Wayne County Sheriff's Office)** to this Order.
2. This Court will review WCSD staffing assignments every thirty (30) days to monitor efforts to comply with this Order;
3. Court's General Counsel meet with WCS or his designate to coordinate implementation of this Order.
