1. This notice is issued pursuant to section 305(b)(2) of the Uniform Child Custody Jurisdiction and Enforcement Act [UCCJEA], encoded in Michigan at MCL 722.1304(2)(b).

2. Petitioner has petitioned for registration of a foreign child custody determination with the Third Circuit Court of Michigan under the UCCJEA, encoded in Michigan at MCL 722.1101, et seq., and has met the statutory requirements for registration listed in MCL 722.1304. An Order registering the child custody determination as a foreign judgment has been entered and is attached to this notice.

3. A registered child custody determination is enforceable as of the date of registration in the same manner as a child custody determination issued by a court of this state.

4. Respondent, parent, or person acting as a parent who has been awarded custody or parenting time may contest the Petition for Registration of the foreign child custody determination.

5. A person seeking to contest the validity of a registered foreign child custody determination must request a hearing from this Court within **21 days** after service of this notice by completing and filing a **Request and Notice for Hearing to Contest Registration** (UCCJEA Form 6) with the assigned Judge.

6. **Failure to contest the registration will result in confirmation of the child custody determination by this Court and preclude further contest of that child custody determination with respect to a matter that could have been asserted.**

7. If a hearing is requested to contest registration, the Court shall confirm the registered child custody determination unless the person contesting registration establishes one of the following:

    a. The issuing court did not have jurisdiction under Article 2 of the UCCJEA.
    b. The child custody determination sought to be registered has been vacated, stayed, or modified by a court having jurisdiction to do so under Article 2 of the UCCJEA.
    c. The person contesting registration was entitled to notice in the proceedings before the court that issued the child custody determination for which registration is now sought, but notice of those proceedings were not given in accordance with the requirements of the UCCJEA.

8. If a timely request for a hearing to contest the validity of the registration is not made, the registration is confirmed as a matter of law, and the person requesting registration and each person served will receive notice of confirmation of the registration.

9. Confirmation of a registered child custody determination, whether by operation of law or after notice and hearing, precludes further contest of the child custody determination with respect to a matter that could have been asserted at the time of the registration.
