Re: Docket Directive 1991-1: Condemnation Proceedings arising out of the western townships utilities authority for construction of sewage disposal system in the Township of Canton Segment 1-C

As with other large volume condemnation proceedings, such as Cobo Hall and the Jefferson Avenue Expansion, I have agreed to conduct the show-cause proceedings for cases filed in conjunction with the above referenced sewage disposal system.

For your information, I have enclosed a list of the affected cases and the judges to whom they are assigned. The show-cause hearings for these cases have been scheduled for Thursday, May 23. Please do not act in these cases prior to the conclusion of the show-cause proceedings since many of these cases are likely to be disposed of at that time or shortly thereafter.

As a final note, I anticipate the filing of another large block of condemnation actions related to the expansion of Metropolitan Airport in the near future. At this time, I am planning to handle the show-cause proceedings in these cases as well. I will keep you advised.

If you have comments or questions, please contact me.
